

OTTAWA FIRE TRUCK PULL SPONSORSHIP OPPORTUNITIES

Sunday, October 28, 2018
2:00 – 4:00 pm
Lansdowne Park, East Court

The 2018 OTTAWA FIRE TRUCK PULL will be a fun, family friendly event that brings the community together for a good-natured competition while raising funds for charity. We invite you to join us for the inaugural tournament that we expect will grow to become a much-anticipated annual event.

On **Sunday, October 28th**, 25 teams of 10 and will descend on Lansdowne Park to demonstrate that they have the fortitude to pull a fire truck 100 feet in front of over a thousand spectators. They'll compete to see who can pull the truck the fastest, raise the most money for a good cause, or demonstrate the most team spirit, possibly while dressed in their Hallowe'en best.

Presented in collaboration with the City of Ottawa Lansdowne Park and Ottawa Fire Services, the OTTAWA FIRE TRUCK PULL will coordinate with Lansdowne Market and the Glebe Pumpkin Derby for an afternoon of fun activities including food vendors, photo opportunities with fire trucks while wearing Ottawa Fire Services uniforms, and a kids' zone with face painting, temporary tattoos, games, prizes, and much more! Whether folks are showing their metal by pulling the truck, watching the competition, or enjoying these on-site activities, there will be something for everyone.

The OTTAWA FIRE TRUCK PULL will raise funds to continue Epilepsy Ottawa's mandate to improve the quality of life for the nearly 10,000 people in the region living with epilepsy and their loved ones through support services, education, advocacy, and on-going public awareness.

100% of the proceeds from this event will support epilepsy services in our community.

Visit epilepsyottawa.ca/OttawaFireTruckPull for further details about the event.

Epilepsy Ottawa

Epilepsy Ottawa is a not-for-profit registered charity dedicated to creating a community where people affected by epilepsy or seizure disorders are empowered and supported to live life to the fullest, free of stigma and barriers. Almost 10,000 people in Ottawa and the surrounding rural regions have epilepsy. Its impact extends beyond the individual with the diagnosis; it affects the entire family and even friends.

The Opportunity

As our partner, you will align your organization with this small but mighty not-for-profit and promote your brand, goods, and services to over a thousand current and future customers during the event and thousands of people in our community leading up to it. All donations will be recognized as contributions from your establishment.

Thank you in advance for your consideration,

Nikki Porter, PhD
Executive Director
